A Philosophy Of Solitude

Solitude, for Powys, is the only way in which we can maintain our dignity in a world out of balance. It is only through withdrawal from society and its follies, its grim demand to keep on smiling in spite of the constant horrors of modern life, that we can reach a state of enjoyment of our own miraculous consciousness.

Summary Solitude may be a very positive and constructive experience, whenever it is a desirable choice of the way of life or otherwise it may be a distressing experience, inducing negative...

(PDF) The philosophy of solitude - ResearchGate

For Merton, true solitude is understood through the uniqueness of the self. In realizing this uniqueness, a person becomes connected to others through the commonality of loneliness. This opens the believer to the profound truth that in discovering the loneliness of self, one may discover the loneliness of God.

Thomas Merton: Notes for a Philosophy of Solitude

Read Book A Philosophy Of Solitude

The writing is tense, the reflections are profound, the depth is provocative. He flushes out the solitude benefits, but still argues that it is not merely a vehicle to restore us to return to frenetic lifestyles--but rather, solitude is a goal unto itself. His concepts help provide a language for expressing a topic impoverished by language.

Solitude: A Philosophical Encounter: Koch, Philip ...

And this is the philosophy of solitude that Powys sets out of construct. To Powys, solitude is the necessary social, psychological, and intellectual state of the individual. It is social in pulling away from the life and tumult of the crowd (Powys lived for decades in New York City, finally moving to a small town in upper-state New York before returning to Wales a few short years after this book's publication).

Read Book A Philosophy Of Solitude

Hence, solitude must be characterized by "emptiness, humility, and purity." The solitary pulls free of the diversions that alienate him from self and from God to live in transcendent unity. His solitude is neither an argument, an accusation, a reproach or a sermon. It is simply life itself. It is. ... It not only does not attract attention, or desire it, but it remains, for the most part, completely invisible.

Thomas Merton's Notes for a Philosophy of Solitude ...

REFLECTIONS UPON THE Ms. NOTES FOR A PHILOSOPHY OF SOLITUDE by Fr. Louis "Notes on a Philosophy of Solitude" - censor's criticism - thinks Merton has a problem with authority and the monastic way of life and should focus on living his Cistercian life more fully instead of writing or focusing on events outside the monastery «detailed view»

great wine is created by the vines, without artifice, and tells the story of their setting.

Philosophy | Domaine de la Solitude

“It is what one takes into solitude that grows there, the beast within included.”
(Nietzsche, Thus Spoke Zarathustra)

Hence, there is a danger in spending a significant amount of time isolated from others, as there will come a time when, broken down by the beast within, solitude will weigh us down and become a great curse.

“The Philosophy of Creative Solitudes brings together a stellar group of thinkers whose own creative solitudes have been transformed by the inimitable work of David Farrell Krell. Krell's brilliant philosophical interventions and sensitive reflections on a wide range of key topics have shaped our contemporary critical fields in decisive ways.”

The Philosophy of Creative Solitudes: David Jones ...

In this passage, Rilke writes of the solitary nature of human existence: “Therefore, dear Sir, love your solitude and try to sing out with the pain it causes you. For those who are near you are far away, you write, and this shows that the space around you is beginning to grow vast.
