Positive Psychology, optimism, learned helplessness, depression, and comprehensive soldier fitness Professor Martin Seligman is considering new graduate students for admission for fall 2020, but only on the non-clinical track.

Martin Seligman | Psychology

Rosenhan was a young academic who attended R.D. Laing 's lectures on the anti-psychiatry movement: Laing argued that schizophrenia was " a theory not a fact " and rejected " the medical model of mental illness ", especially the use of drugs. Rosenhan wanted to test the reliability of diagnosis for mental disorders.
