Address Books & Password Keepers | Hallmark
"The Address Book is a deeply-researched dive into the surprising histories and meanings that lie behind the seemingly mundane way we name our streets and number our houses and buildings. Deidre Mask provides powerful insight into the ways these addresses not only structure our lives but function as a tool to classify and track people, reflecting the enduring divides of class, race, and power.

For me, an address books was hard to find, and I originally wanted one with a spiral bind, but this one looked so vintage and cute, figured it was worth the long ship time! The hard cover makes it very durable. It has room for over 300 contacts, and the letters on the pages are cut for easy flipping. The Modern Floral design as advertised has 2 ...
