Artistic Interventions In Organizations Research

Artistic intervention, where the world of the arts is brought into organizations, has increasingly become a research field in itself with strong links to both creativity and innovation. Opportunities for the arts to interact with public and private organizations occur worldwide, but during the last decade artistic interventions have received growing attention in both practice and research.

Download [PDF] Artistic Interventions In Organizations ...

Artistic interventions in organizations are conducted with high expectations of a multitude of positive outcomes. Research has not kept pace with these developments in practice. Very few empirical studies have been conducted to establish whether the high hopes placed on these interventions are justified. The WZB established a

TRANSFORMING ORGANISATIONS WITH THE ARTS.

Research Grants in the Arts support research that investigates the value and/or impact of the arts, either as individual components of the U.S. arts ecology or as they interact with each other and/or with other domains of American life.

Artistic intervention, where the world of the arts is brought into organizations, has increasingly become a research field in itself with strong links to both creativity and innovation.

Artistic Interventions in Organizations - Ulla Johansson ...

Why should you give special consideration to an "artistic intervention"? This is an unconventional approach where people from the arts bring their talents, skills and tools into an organization with the purpose of triggering or supporting change for the individual, group, or whole organization.

ARTISTIC Interventions | Enriching Organizations through ...

Artistic interventions can last for hours, days, or months and are used to address various kinds of issues in organizations. For example, they can be focused on developing skills (e.g., leadership, communication), improving working relations within and between units, or generating ideas for new services, products or processes.
