Solo Piano provokes strong reactions. These 16 themes for left hand accompaniment and right hand melody either astound listeners with their beauty, disgust them with their perceived pretentiousness or put them to sleep. I find myself in the camp of the SP's admirers. Gonzales is an excellent pianist and the compositions of Solo Piano are quite ...

In December 2011, Chilly Gonzales moved his piano into Paris Studio Pigalle. There, alone for 10 days, he recorded a handful of songs that had made the short list from a hundred or so melodies written over the eight years that had passed since the release of the now iconic Solo Piano.

Music - Chilly Gonzales

Such a surprising album. Its like nothing I've ever heard. I have shared this album with many people and they all have become fans of Chilli Gonzales's piano work. The record that came in this package is solid white. Since there are no lyrics, the lyrics sheet just had illustrations of various shadow art.
