### Free PERT Practice Tests (2020 Update) - Test-Guide.com

Set up a regular study time and place. Be aware of your best time of day to study. Study two hours for every hour you spend in class. Because most math classes are cumulative, it is better to study for a shorter amount of time more often, then to wait until the day before the test. Study math first if it is your most difficult subject. Study with others - you will learn different approaches to reaching solutions.

### Pert - Valencia College
