Bobbi DePorter's  
"Quantum Learning  
Book" was a delight for  
me to read. My interest  
in student achievement  
and accelerated  
learning led me to read  
this book, and I was  
amazed at the  
contents. Bobbi  
Deporter explains  
concepts that many  
schools across the USA  
and Canada call  
Character Education.
